

CSA Members Save with UPS

When it comes to your business shipments, you don't want any delays or surprises — everything should be delivered on time, every time. UPS Freight® understands that shipping is a key part of your business, and we're here to provide the reliability you expect.

The California Sign Association and UPS Freight® are working together to bring discounted LTL freight shipping to all members. As a CSA member, you are eligible for a free rate quote by calling 866.443.9303.

We're committed to making the entire shipping process as seamless as possible. Contact the UPS Freight Association Team today to get started!

Shipping Discounts

The CSA/UPS Savings Program gives members access to special savings on these UPS Freight services:
