“Let the Sunshine In”

Thomas Grunwald: Solar-Powered Signs! Placement, Power, & Performance, “Let the Sunshine In”

Thomas Grunwald, Executive National Lighting Specialist at Glantz, is a lighting industry veteran who loves turning complex technology into practical solutions. With over two decades of hands-on experience from Times Square to highway infrastructure, he knows what makes signs shine – literally!

- He has built his career on making energy-efficient lighting accessible and understandable for everyone,
- He will bridge the gap between cutting-edge technology & real-world applications, breaking down everything from ideal panel placement to calculating power needs.
- Whether upgrading or starting fresh, this is your roadmap to smarter, sustainable signage – Be Sure to Register!
