Would you like to make your golfing customers feel
a part of YOUR team?

Are you looking to reward yourself or your golfing employees
with a day on the links by giving them the chance to bring home
the bacon for the company?

If you answered YES to any of these questions, the 2026
CSA Golf Tournament in Southern California is for YOU!

Here's what we have in store:

Shotgun Format – While Singing Hills Golf Club is challenging for low handicappers, the course offers multiple tees on each hole, ensuring an enjoyable experience for golfers of all abilities! All groups tee off simultaneously from different holes, with two groups starting at each hole.

Added Competition – Just to add a bit more excitement, we are adding the “Corporate Challenge” - a tournament within the tournament. The only teams eligible to compete in the “Corporate Challenge” are those registering via the Birdie, Eagle, or Double Eagle sponsorship packages (see page 3).

Great Tee Prizes – Every participant will receive a nice tee prize package!

Golf Ball Drop – For golfers and non-golfers alike, here is a chance to be a winner! For \$10, you can buy a uniquely numbered golf ball - Books of ten have been designed to optimize your chance to win \$1,000.00! We're going to put all of the balls we sell in a basket and take the basket high in the sky where we will dump 'em out. If your ball ends up in, or closest to, the pin under the ball drop, you win!

On Course Competitions – Even if your team doesn't come up a winner, you may still walk away with a prize or two. We will be holding the traditional on-course competitions including Closest to the Pin and Long Drive. We may throw in a couple others, but you have to participate to find out!

Sponsor Recognition Contest – Every player will be given a form at the start of play. As they move around the course, they will be required to write down the name of every tee and green sponsor as well as all of the other event sponsors. Upon completion of play, completed forms will be turned in and verified for accuracy. All players turning in completed, accurate cards will be entered into a drawing for a prize making it worth the effort!

Our sponsors love this!
